

PRODUCT DATA

Eliminate® SANI-SHIELD®

Antimicrobial Surface Care

Cleans, Shields & Protects Surfaces in 1-Step

DESCRIPTION

Product No.: 530013

SANI-SHIELD is a newly-patented (U.S. 7,994,890) "spray & wipe" surface care technology that cleans everyday spills, splatters and deposits of organic soil with the oxidizing power of hydrogen peroxide...and simultaneously shields surfaces with invisible organosilane quaternary coatings that reduce the adhesion and buildup of dirt and grime for easier next-time cleaning and protect surfaces against the growth of odor-causing bacteria, mold and mildew. In-between cleaning SANI-SHIELD is available in 32 fl. oz. ready-to-use spray bottles, 1 gallon RTU refills and 1 gallon CONCENTRATES that make 10 or more gallons of ready-to-use products.

Institutional-strength SANI-SHIELD is perfect for the care of all hard surfaces in hospitals, nursing homes, daycare centers, schools, hotels, restaurants, offices, stores and other public facilities; wherever people congregate and whatever they touch. It effectively cleans all organic soil. Importantly, SANI-SHIELD is non-toxic, and user and earth safe. The antimicrobial-resistant water, soil & stain repellent barrier coating that is formed while cleaning is exceptionally durable and has been proven to prevent the growth of odor-causing bacteria, mold and mildew in-between the cleaning of re-soiled surfaces.

DIRECTIONS

SANI-SHIELD takes the guesswork out of surface care. It replaces the entire gamut of 1-time "clean" cleaners. Clean the organic soil, shield surfaces against build-up and you've solved the surface hygiene problem...every time

To Clean, Shield & Protect Surfaces in 1-Step... *Spray the surface with SANI-SHIELD and wipe up with cloth, paper or microfiber towel until the surface is dry & polished.*

For heavier soil... *spray surface with SANI-SHIELD to saturate soil and massage with sponge or microfiber cloth. Wipe up with dry cloth until dry. Note: For electronic equipment and telephones, spray on cloth and wipe surface until clean & dry.*

PROPERTIES

- Active Ingredients: Hydrogen Peroxide & Organosilane Quaternaries
- Flash Point: None (water-based)
- Odor: Pleasant Fragrance
- Color: Clear
- pH: 3.0 – 5.0
- Viscosity: Consistency of water
- Abrasives: None
- Solubility: Complete with potable water
- Storage Stability: Minimum 2 years
- Weight per Gallon: 8.35 lbs.
- Freeze/Thaw Stability: Good
- Packaged: 32 fl. oz. RTU spray, 1 gal. RTU refill, 1 gal. CONCENTRATE

PRECAUTION

Avoid eye contact. If contacted with eyes, flush with water for 15 minutes. Contains Hydrogen Peroxide. Keep out of reach of children.
